WATER SERVICES DEPARTMENT
Ministry of Public Infrastructure, Energy, Utilities and
Domestic Transport

REQUEST FOR QUOTATION (RFQ)

The Government of St. Kitts & Nevis, through the Water Services Department (WSD) is undertaking critical maintenance and infrastructure development works across the national water distribution network. The listed materials will be used to facilitate pipe replacement, leak response, infrastructure extension, and routine system upgrades island-wide. This procurement is part of the Department’s effort to strengthen resilience and improve service reliability.

RFQ Terms and Conditions

- Suppliers response to the RFQ must be sent to the SKWSD via email to the attention of the requester as specified above.
- The quotation that is provided by the supplier must include freight in the final cost CIF to St Kitts.
- The expected delivery time should be indicated when submitting quotation.
- Suppliers who submit a proposal to the SKWSD must be licensed.
- The SKWSD reserves the right to request any additional information that it deems necessary in order to make a decision on any quotation submitted.
